Contact Details / Measurements Form

Extra work requires you to be flexible & able to work long days, starting early, finishing late.
Please do not apply if you are not flexible.

Please fill in **ALL** of the form and send a head shot (head & shoulders ONLY) via email or text.

Pictures can be taken with a phone. Please make sure they are clear and the most up to date.

Measurements:
Please DO NOT estimate measurements. Use a tape measure accurately. The measurements might determine if you get the job as production are fitting people into costume NOT the other way around.

Please complete Measurement Form in **INCHES**.

*MEN, there are TWO waist measurements

1. Must be taken **WERE YOU WEAR** your trousers (we tend to wear them lower than our actual waist)
2. Must be taken around the belly button.
